

## Carpenter Workshop (M/F/D)

**Location:** Zermatt

**About us:**

We are a carpentry workshop in Zermatt that specialises in the production of high-quality furniture and bespoke woodwork. Our team consists of creative minds who work with passion and precision on every project.

**Your tasks:**

- You will work on various projects, from conception to completion.
- You will work closely with our experienced team to develop and realise innovative solutions.
- You will ensure that our quality standards are always met and that every job is carried out with care and precision.

**What you bring with:**

- You are an outgoing personality who enjoys working in a team.
- You have completed training as a carpenter or have a comparable qualification.
- You are motivated, creative and have a passion for woodwork.
- You are reliable, accurate and enjoy working independently.
- You are open to new ideas and techniques and have the will to constantly develop yourself further.

**What we offer:**

- A dynamic team and a pleasant working environment.
- State-of-the-art tools and materials to make your work easier.
- Opportunities for further training and personal development.
- An attractive salary and social benefits.
- Long-term prospects in an established company.

**Does this sound like the right job for you?**

Then we look forward to getting to know you! Simply send us your application to [brigger.r@rhone.ch](mailto:brigger.r@rhone.ch) or by post.
