

# BS MECHANIC AG

Werkstatt Metall- & Möbelbau

## Production Employee (m/w/d)

**Location:** Zermatt

### About Us:

Looking for a hands-on job in production? We're the pros when it comes to maintenance and repair of construction machinery, trucks, and various other vehicles. As part of the **Adolf Schaller Zermatt Holding AG**, we offer a range of benefits. Plus, we manage pellet production for **Matterhorn Pellet AG** right here in Zermatt.

### Your Tasks:

- Operating and monitoring the pellet production systems
- Checking and adjusting machine settings to ensure smooth production
- Performing maintenance and cleaning tasks on the production equipment
- Following safety and workplace regulations at all times

### What You Bring:

- Technical understanding and a knack for hands-on work
- Flexibility and team spirit are a given – and when things get tough, you're all in
- Clean, precise, and reliable working style

### What We Offer:

- A dynamic team that's got your back
- State-of-the-art tools and materials that make your job easier
- Opportunities for training and personal growth
- Attractive salary and social benefits
- Long-term prospects in a well-established company

### Ready for something new and exciting?

Then send us your application by email to [joerg.bumann@schallergroup.ch](mailto:joerg.bumann@schallergroup.ch) or by post to:

**BS Mechanic AG, Längmatten 13, 3927 Herbriggen**

If you have any questions or need more info, don't hesitate to contact us at **+41 (0)79 323 80 29**.

**We look forward to hearing from you!**
